Time Commitment

All-Star Cheerleading is a sport that requires total commitment. This year round commitment to the team must be taken very seriously. It is important that all team members attend all practices and competitions. This requires time management skills; involvement in other activities will need to be arranged around cheer practice schedules and competition dates. One member missing from practice negatively impacts the entire team. It is also very important to arrive on time to all practices so that the team is able to warm up and get stretched so we can begin practice as a team.

Athletes will spend on average 4-6 hours per week in the gym over 2-3 days. We do support school events that involve a grade, however, missing practice because of other reasons is not acceptable. Along with regular practices we will have a Choreography Camp at the end of the summer. These will be mandatory and dates will be given as soon as possible.

Each team will compete at 5-6 competitions. Competition schedules will be sent out before August 1st.

We ask for a full season commitment from each athlete (and family).

Our season runs from May until the following April; If for some unfortunate reason, you do not complete your obligation, you will not be refunded any tuition, money spent on fees, fundraising monies, etc. If you quit the team after August 1st - there is a withdraw fee of \$500.

How do Tryouts at iNFiNiTi Work?

ALL-STAR INFO 2022-2023

At iNFiNiTi we want to give every athlete the very best opportunity to excel! We take these first 3 weeks of Workgroups, to really connect with our athletes. We want to know THEIR goals & expectations for the season. We feel this is best done in a setting of peers, so we have broken up the groups based on age. We will have ALL level coaches at ALL practices so that we can work with each athlete on their level. After working with them for 3 weeks(Workgroup) we now feel it is time to break them into groups based on skill level. The next 6 weeks(Boot Camp) we will push them to their full potential. They will have time to learn how we are going to do things this coming season & really push for the level of their dreams. For example... Some years we shrug before a skill and others we have done a large clean. This is just a simple example but it takes time to get use to these changes. We give them all the tips and tricks to succeed BEFORE the season starts! Our ultimate goal is to take the stress out of "tryouts".

Team placements will be done during a normal practice time. This is great because it is the environment they now feel very comfortable with. They now know the coaches and know that the coaches believe in them and want what is best for them. This level of trust creates the confidence they need to be successful and feel relaxed.

The team reveal party will be FUN! We join together in the celebration of all athletes and new teams that are placed! This is when they will find out what team they made and meet their teammates.

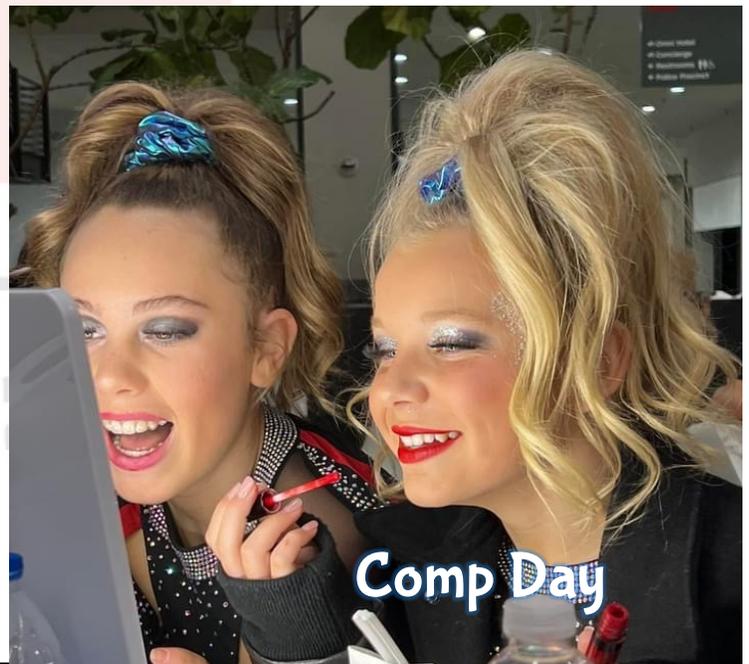

Team Bonding & Fitting Fun Details will come soon. We will also fit for practice wear, uniforms & shoes. You are not required to purchase the shoes we have at fitting. We just ask that you wear white cheer shoes for competitions.

Team practices will start the week of August 1st. At this point, ALL coaches will know your athlete! It is our mission to build these great athletes into great people. We will give them tools to not only succeed in cheerleading but in life!

Attendance

If you are in town you are required to be at practice unless approved otherwise in advance.

Attendance is critical to team success and any time a cheerleader is absent for any reason it directly impacts the rest of the team being able to practice effectively. Excused absences are considered Doctor excused illness or injury, pre-planned family summer vacation, or family emergency – while we do understand these types of absences will happen, any athlete with 3 absences (excused or unexcused) will be discussed and their spot on the team can be in jeopardy.

Please report any upcoming excused absences to your coach at least 3 weeks prior to the absence.

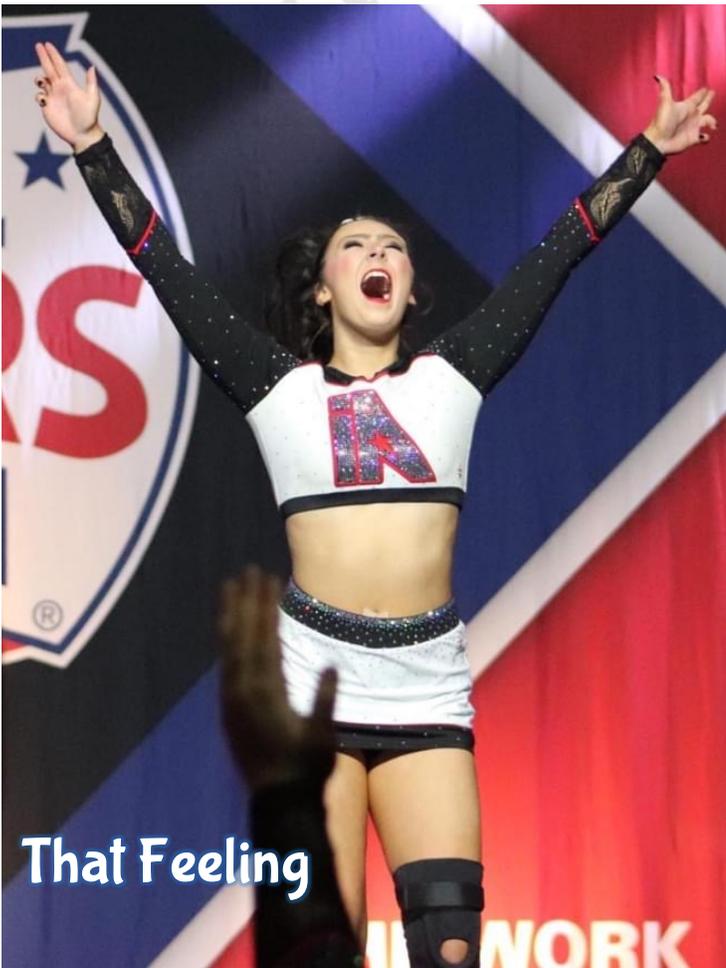

Missing practice for any reason 2 weeks prior to a competition will jeopardize your spot in the routine for that competition. Being late to practice or leaving early is also very damaging to the teams practices. Two tardies or leaving practice early will be a warning, after the third, it will be considered an unexcused absence. If you are injured or not feeling well (severe sickness including high fever, contagious illness, & vomiting excluded), you are still expected to attend/observe practice so you may see any and all changes that affect the team. You must provide a doctor note with detailed information regarding any illness or injury that will prohibit an athlete from participating or attending. If an athlete has a school function that results in a grade or has a required school event, this will be excused. Social school and non-school functions/activities are unexcused.

Included in the All-Star Tuition; the athlete will have 2 team practice days per week, plus a tumble class. You may enroll in an extra Tumbling, flyer or base class at a discounted rate but it is NOT included in All-Star Tuition. Some teams will have practice on Sunday's starting after Labor Day.

There will be times where practices are closed to parents. It will be noted on the practice schedule. For liability reasons, we cannot have parents or

siblings in the gymnasium areas at any time unless at the request of a coach. If you need to speak with a coach, please leave a message at the front desk, or email them. Coaches can best address your questions or concerns outside of normal practice & competition times.

Please be on time and prepared for practices. Hair must be pulled back out of the face, wearing required practice outfit and cheer shoes on. No jewelry, food, sodas, gum & phones are allowed in the gym.

Leadership & Expectations

ALL-STAR INFO 2022-2023

1. Each athlete must be aware that being part of an iNFiNiTi All-Star team is a privilege and you should set a good example and be a positive role model to keep this privilege.
2. Athletes will set and maintain the highest examples of behavior.
3. Each athlete and parent must be aware of the responsibilities required & the commitment he or she is making to the team both financially and time-wise.
4. Each athlete must realize the manner in which they conduct themselves while representing iNFiNiTi Athletics directly reflects on the entire squad and coaches.
5. Each athlete must be willing to cooperate with and be helpful to the coach or any person in charge.
6. Each athlete will be willing to work hard, take directions, and strive for excellence.
7. Athletes will maintain the proper appearance with no extremes in apparel, extreme hairstyles or colors, or unsafe piercings. Coach's decision is final.
8. Athletes will do everything in their power to achieve personal and squad goals.
9. Athletes missing camp or practice are responsible for finding a replacement so that the team will be able to practice fully and the athlete will know what they missed.

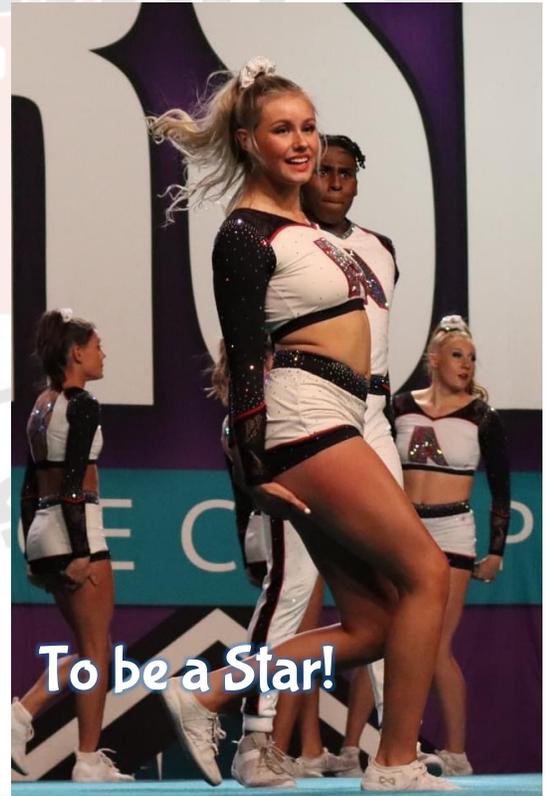

Three Strike Rule

iNFiNiTi has a 3-strike rule to help ensure respect and discipline is in place with all athletes at all times. The purpose of this rule is to uphold team member accountability for the team commitment made at the beginning of the season and is a disciplinary rule for those times when a team member may not be meeting that commitment they made to the team, to you as a parent, and to iNFiNiTi. Here is how it works:

Strike 1- If an athlete is not meeting their commitment (i.e. displaying appropriate behavior and attitude, treating iNFiNiTi and others with respect, coming to practice, etc...) they will be given a strike and removed from practice (either for a portion of practice or the entire practice depending on severity).

Strike 2- Same reason as strike 1, however this will be entire practice & parents will be involved.

Strike 3 - same reasons and this will result in a meeting between their coach, athlete, parent, and a Director to determine if they are eligible to remain on the team.

Communication

Please check-in regularly with your designated "Team Parents" to make sure you are not missing any information being sent out. iNFiNiTi Coaches & Team Parents will communicate with you regularly with details on upcoming events, planning for competition, and any general coaches or gym information. We will use GroupMe to communicate along with email throughout the season.

It is extremely important that our records be kept current. Please update on-line any changes to your address, email address, telephone number(s), and/or medical information for your athlete.

As we work hard to build and protect the iNFiNiTi brand, it is important that routine choreography is kept private during season and not shown or discussed with others. NO VIDEOS of routines or choreography should be uploaded to any public social network sites such as YOUTUBE or Facebook, etc...

The use of the iNFiNiTi logo is prohibited without written consent from iA Management.

Parental Obligations

1. Make sure your son/daughter is on time and attends all practices and events.
2. Parents are to inform the coaches if the student is to be late or absent from practice.
3. Parents need to check with the front desk frequently for any new team information.
4. Please do not send messages of important information through someone else.
5. Parents are to fulfill all financial obligations on time
6. Parents are to encourage and support your child to be the best they can be.
7. Negative behaviors toward an iNFiNiTi member, the iNFiNiTi Gym, iNFiNiTi staff member, or to another gym, via any medium, will result in dismissal from our program.
8. Any concerns/complaints are to be directed to your Coach, All-Star Director, Front Desk, or Gym Owner in that order. Having side discussions with other members is inappropriate.
9. 24-Hour Rule – If you have a concern or complaint during a competition we ask for a parent 24-hour cooling period before directing this to iNFiNiTi Staff.
10. Your athlete and other children must be supervised by you at all times at the facility when not in a class or practice and they must be picked up on time from practice.

We look forward to a fun, positive, and rewarding season. Thank you in advance for your dedication in allowing this to be a successful program for everyone involved.

Welcome to the Family!
